

St Joseph's Badminton Club

The club has been in existence for over thirty years.

There are two principles on which membership is based.

You will need to be connected with St Joseph's Church in some way (eg child at St Joseph's school, former pupil, churchgoer, Little Joes, UCM etc etc,) and you will need to be able to play badminton. You will be expected to play doubles, including mixed, at most club sessions. We play to the 'new' scoring system.

The club meets and plays every Thursday at 8 pm at the Hallcroft new school site. If you attend you pay £2 - if you do not attend you pay nothing.

The age range is from late twenties to over sixties –currently there are eight regular players, of whom five or six turn up most Thursdays. Both sexes are represented. Some players meet afterwards for a drink, others choose not to.

At present we have only one court booked, but we do book a second if enough players turn up.

Any more questions please email Jim Anderson (sadsandal@aol.com) or phone him on Retford 700121.

Con Doherty, Alan Meacher, Tom Fox and Eddie McGarvey amongst others are players.
